

CIRCULAR NO. 7/2023

2 August 2023

**TO: PRINCIPALS OF SCHOOLS ENTERING CANDIDATES FOR THE 2023
FURTHER STUDIES: AFRIKAANS, ENGLISH, MATHEMATICS AND PHYSICS**

2024 FEE STRUCTURE

An average increase of 6,5% was applied for 2024 and the attachment to this circular indicates the fees for assessments and other services.

Workshops

IEB ASSET offers schools a range of courses and workshops designed to support the professional development of educators. Further information about these workshops can be found at <https://www.ieb.co.za/pages/training>.

Payment of fees

Fees are payable as per the financial terms contained in the signed contract between the IEB and the recognised examination centre or distance education provider.

School that are entering learners for assessments and do not have a signed recognised examination centre contract are required to make payment before the learners are registered for assessments.

Withdrawal from assessments

Please note that after the closing dates indicated via circulars for each assessment and/or workshop, no credit notes will be issued, nor will any refunds be given for any withdrawals. The IEB makes commitments to various service providers on the basis of registrations received. When there are changes to registrations, especially withdrawals, the IEB is placed in a position where we have to pay for services but are unable to recoup the expenditure.
